

Classroom Basket Raffle

Hello Hartwood!

It is time for the HPTO Basket Raffle! This year, the fundraiser will take place in conjunction with Hartwood's Spring Showcase and Art Show, which will occur on the same evening of April 10th! This fundraiser is not only our most fun but also one of our most lucrative fundraisers. All of the money raised is used to enrich our children's experiences at Hartwood. These funds are used for special days such as Fall Festival and Field Day, field trip transportation, and recess supplies.

Each class is asked to collect items relating to a specific theme to be made into a gift basket. Tickets for the baskets will be sold the week of, as well as the night of, the Spring Showcase/Art Show.

We are in need of a Classroom Basket Coordinator for each homeroom at Hartwood to make this fundraiser successful! *As the coordinator, your responsibilities would include:*

- **Arrange for collection of donations with your homeroom teacher.**
- **Monitor your donations throughout the collection period to make sure you have enough to fill a basket. Communicate with parents if you are in need of more donations.**
- **Pick up your donations from the school and assemble your classroom basket.**
- **Deliver your assembled basket to the school.**

Collections will occur March 3rd - 21st, and baskets will be due to the school by Wednesday, March 26th. More specific information and dates will follow.

Please consider signing up to help using the link below! This is a great way to volunteer if you do not have clearances or just can't be available during the school day! You will find the themes for each classroom on the sign up.

Please sign up before Friday, February 21st.
